Inaugural community meeting

11 January 2023

The Freedom and Fairness for Northern Cyprus campaign held its inaugural community meeting.

These meetings are a forum for members and supporters of Turkish Cypriots in the UK and across the world to express their views and be a part of our campaign that seeks freedom and fairness for the TRNC.

The following topics were discussed:

The objective of the Freedom and Fairness for Northern Cyprus campaign - to advocate for the TRNC to be recognised as a sovereign, independent, democratic nation state.

The issues facing the Turkish Cypriot community, including lengthy and unnecessary delays when returning home compared to their Greek Cypriot counterparts.

The issues British nationals living in Northern Cyprus face, including uncertainty when entering and exiting Southern Cyprus.

The methods we can employ to raise awareness among key stakeholders of the issues, including writing letters to Members of Parliament.
