Community meeting summary

Wednesday, 8 March 2023

The Freedom and Fairness for Northern Cyprus campaign held its third community meeting.

These meetings are a forum for members and supporters of Turkish Cypriots in the UK and across the world to express their views and be a part of our campaign that seeks freedom and fairness for the TRNC.

The following topics were discussed:

The recent political delegation to the TRNC and the outcomes of it, including the tabling of parliamentary questions and new interest from other MPs and peers in a future delegation.

Upcoming media op-eds and meetings between the campaign and a cross-party range of senior politicians from each side of the House of Commons - including frontbenchers.

The representation (or lack thereof) of the Turkish Cypriot community in mainstream UK groups and federations that claim to champion them, and how this can be addressed at a grassroots level.

The unusual decision of the UK Foreign Office to revise its travel advice to the TRNC based on misinformed advice on its safety to visitors.
