# Community meeting summary

Wednesday, 13 April 2023

## The Freedom and Fairness for Northern Cyprus campaign held its fourth community meeting.

These meetings are a forum for members and supporters of Turkish Cypriots in the UK and across the world to express their views and be a part of our campaign that seeks freedom and fairness for the TRNC.

The following topics were discussed:

The groundbreaking visit of President Tatar to the UK, including his meeting with more than a dozen supportive parliamentarians from six political parties, and his historic invitation to the House of Lords.

The reaction of the visit by Greek Cypriot activists, including how they were caught unaware by the significant political and media exposure President Tatar and the TRNC received by the British press and politicians. Participants also discussed the desperate attempt by Greek Cypriot ideologues to prevent the President speaking at a King's College event.

The recent private meeting held between advocates for the campaign and the TRNC and the British High Commissioner to the Greek Cypriot Administration.

Upcoming meetings between the campaign and senior parliamentarians - including those from the Shadow Cabinet.
